Social Initiative Education for All (E4All) is an afterschool education center that increases the knowledge and skills of children through non-formal education. The Center offers a supportive educational alternative. cultural and entertaining activities. summer school camps. stimulating children's creativity. collaboration and interaction, as well as a less tedious and more appealing learning process. The Center offers trainings on innovative parenting methods contributing to healthy children- parent relationship.

Main results of the action:

- Provision of a paid afterschool service for 60 children;
- Provision of free of charge services to 10 children of single mothers, victims of domestic violence and trafficking, and children of families newly returned from asylum in EU countries creating space to their parents to explore employment possibilities;
- Increasing capacities and skills of 30-40 parents on positive parenting, enabling a healthy children-parent relationship.
